

Briar Woods Crew Team Ergathon 2018

Saturday, March 10, 2018- 2-6pm

Briar Woods H.S., Ashburn, VA

What is an Ergathon?

It is a classic Crew Team fundraising event where team members row a specified distance on rowing machines (ergs) and ask contributors to sponsor them. Coxswains participate by coxing rowers while they are "erging." This year, team members will set their own personal erg time or distance.

Why have an ergathon?

To help raise funds to pay for equipment and other expenses so we can continue to compete at the top levels of U.S. high school rowing. Briar Woods Crew does not receive money from the school or the county. Without contributions, we would not have a crew program. Contributions help us buy necessary equipment and cover key expenses including equipment and coaching staff.

What is my fundraising commitment?

Briar Woods Crew team members will collect pledges for the Ergathon and record them on the sponsor sheet. A pledge can be based on total time, distance or a simple total pledge. Sponsors should be obtained before the Ergathon and donations can be collected before or after the Ergathon - **total donations are due by March 24, 2018.** Rowers may use various strategies to obtain contributions: Some ask for donations from family, friends, local businesses and neighbors.

***If a donor chooses to send an online donation or one time pledge, they may do so via PayPal account bwcbtreas@gmail.com, use link on bwcrew website, or make a check (payable to Briar Woods Crew).**
